

NV10 USB - BANK NOTE VALIDATOR

The NV10 USB is a direct replacement for the NV10 Smiley bank note validator.

The NV10 USB has been developed to incorporate programming via a configuration button or configuration card and now includes USB capability.

All production of NV10 bank note validators will switch to NV10 USB units from October 09.

Recommended Applications

- Amusement machines e.g. kiddie rides, video games, pool tables etc.
- Vending machines e.g. snacks, DVDs, cigarettes etc..
